Supporting the Joint Warfighter*

L. Michael Ross, EDP

President, Franklin County Area Development Corporation
Chairman, Team Letterkenny

June 9, 2011

Who is the FCADC?

The FCADC is 501 (c)(6) non-profit corporation charged with formulating, implementing, and promoting a comprehensive county-wide economic development strategy. The Corporation strives to create an atmosphere that nourishes planned growth and family sustainable employment opportunities.

FCADC Services...

- **Advanced site location assistance including developer services**
 - **Financing for real estate, machinery & equipment, construction and related activities**
- **Socio-economic and demographic information for site selection**
- **Facilitation and leadership in identifying issues that impact the economic vitality of the County**
- **Liaison to economic development service providers and federal, state, and local governments**

FCADC Supports the Retention & Expansion of LEAD...

In preparation for BRAC 2005, the FCADC helped to facilitate the creation of “Opportunity ‘05” which ultimately became “Team Letterkenny”

Team Letterkenny...Supporting the Joint Warfighter

Who is “Team Letterkenny?”

- **Community-based organization consisting of local business, community, and elected leaders formed with the goal preserving and promoting the military value of LEAD.**
- **Team Letterkenny has been an active part of the retention and growth of mission based workload at LEAD.**

What Does “Team Letterkenny” Do?

- Active in 2005 BRAC process resulting in an increase of Depot missions
 - Lobby local, state, and federal officials on behalf of the Depot
 - Facilitation of development projects on the Depot
 - Quarterly Meetings with Depot Senior Staff
 - Community Meetings with key AMC and AMCOM Staff
- Active participants on the PA Base Development Committee

Team Letterkenny ...Supporting the Joint Warfighter

Tangible Support of the Depot and Warfighter

- Spearheaded renovation of an employee training center on Depot - **\$416,000**
- Spearheaded installation of new traffic signals along the major truck route to the Depot from Interstate 81 - **\$312,000**
- Spearheaded the acquisition of 2.5 acres of private land for a future secure access gate to the Depot - **\$380,000**
- Spearheaded construction of a reinforced concrete loading dock facility in support of Depot inland node projects - **\$340,000**
- Support of community related events on Business Opportunity Showcase – **\$177,000**
- Spearheaded the return of 250 acres of “BRAC” land to the Depot for future development
- Successfully lobbied for the creation of a bi-partisan Military Installation and Base Development Caucus in the PA General Assembly
